Homemakers arrange 'Country Christmas'

The Cultural Arts and International committees of the Manitowoc County Extension Homemakers held a "Country Christmas" event recently at Bil-Mar Supper Club, Manitowoc. The event included a display of Christmas trees, decorations and 28 table settings. Above at left is a Scandinavian tree done by the Valders-St. Nazianz center. At right is a table setting, "Ironstone Accented by Avon," designed by Doris Brandl. Belo
